## Book A: Performs Common Occupational Skills

### TABLE OF CONTENTS

#### PERFORMS SAFETY-RELATED FUNCTIONS

##### **Chapter 1 Uses Personal Protective Equipment (PPE) and Safety Equipment (RSOS A-1.01)**

1.1 Demonstrate knowledge of regulatory requirements pertaining to PPE and safety equipment .....	A1-1
1.2 Select and use PPE as required for task, tools, equipment, machinery, and environment .....	A1-3
1.3 Inspect, store, check PPE.....	A1-8
1.4 Describe the process to check PPE inventory .....	A1-9
1.5 Recognize PPE requirements for chemical handling.....	A1-10
1.6 Identify fire types and extinguishing methods.....	A1-10

##### **Chapter 2 Maintains Safe Work Environment (A-1.02)**

2.1 Assess site hazards and potential risks.....	A2-1
2.2 Coordinate tasks with other workers .....	A2-12
2.3 Maintain worksite to avoid injuries to self and others .....	A2-13
2.4 Use safety barriers when working in traffic areas.....	A2-13
2.5 Participate in safety meetings and discussions.....	A2-14
2.6 Report unsafe conditions to supervisor .....	A2-15
2.7 Recognize safety warning signals.....	A2-16
2.8 Recognize safety symbols.....	A2-18
2.9 Describe considerations to coordinate with emergency response teams and other agencies.....	A2-19
2.10 Describe how to mitigate the risks of workplace accidents & injuries .....	A2-21
2.11 Describe WHMIS requirements.....	A2-22
2.12 Handle hazardous materials in accordance with government regulations and WHMIS procedures.....	A2-29
2.13 Identify relevant OHS regulations .....	A2-31
2.14 Identify pertinent jurisdictional workplace safety and health regulations .....	A2-35

#### USES TOOLS, EQUIPMENT, AND VEHICLES

##### **Chapter 3 Uses Hand Tools (RSOS A-2.01)**

3.1 Select and use hand tools.....	A3-1
3.2 Perform hand tool maintenance .....	A3-30
3.3 Store hand tools .....	A3-32

##### **Chapter 4 Uses Power Tools (RSOS A-2.02)**

4.1 Select and use power tools motorized equipment, and attachments .....	A4-1
4.2 Power tools, motorized equipment, and attachment uses.....	A4-3
4.3 Perform tool, motorized equipment, and attachment maintenance .....	A4-17
4.4 Store power tools.....	A4-19

##### **Chapter 5 Uses Measuring Equipment (RSOS A-2.03)**

5.1 Select and use measuring equipment .....	A5-1
5.2 Store measuring equipment.....	A5-2
5.3 Identify, use, store, and perform maintenance on measuring equipment .....	A5-3

## Book A: Performs Common Occupational Skills

### Chapter 6 Uses Vehicles, Motorized Equipment, Trailers, and Attachments (RSOS A-2.04)

6.1 Safety procedures.....	A6-2
6.2 Consider factors for the selection of vehicles, motorized equipment, attachments, and trailers.....	A6-2
6.3 Identify basic engine systems.....	A6-3
6.4 Identify basic vehicle systems and components .....	A6-8
6.5 Describe the procedure to attach a trailer to a vehicle.....	A6-11
6.6 Inspect vehicles, motorized equipment, attachments, and trailers.....	A6-12
6.7 Operate vehicles and motorized equipment.....	A6-14
6.8 Clean vehicles, motorized equipment, attachments, and trailers .....	A6-34
6.9 Discuss the procedures for pre-operation check and maintenance .....	A6-35
6.10 Discuss equipment maintenance and repairs .....	A6-43
6.11 Describe the environmental considerations of selecting and using vehicles, motorized equipment, attachments, and trailers.....	A6-46
6.12 Describe the maintenance of equipment attachments .....	A6-48

### ORGANIZES WORK

### Chapter 7 Performs Site Assessments (RSOS A-3.01)

7.1 Select and use tools and equipment .....	A7-2
7.2 Interpret documentation pertaining to site assessment.....	A7-3
7.3 Assess access points .....	A7-3
7.4 Perform visual inspection.....	A7-4
7.5 Arrange for jurisdictional underground utility locate service .....	A7-4
7.6 Identify existing plants .....	A7-5
7.7 Inspect site-specific environmental conditions.....	A7-6
7.8 Assess landscape site soils.....	A7-8
7.9 Examine soil compaction and drainage.....	A7-14
7.10 Perform soil tests .....	A7-20
7.11 Recognize and evaluate soil erosion .....	A7-23
7.12 Identify and verify existing and proposed grading and drainage patterns .....	A7-26
7.13 Identify areas to be excavated and protected .....	A7-27
7.14 Describe the implications of site assessment on the practice of environmental stewardship.....	A7-28
7.15 Identify security requirements .....	A7-29
7.16 Assess existing site conditions for protection .....	A7-30

### Chapter 8 Uses Documentation and Reference Material (RSOS A-3.02)

8.1 Reference documentation pertaining to industry standards.....	A8-2
8.2 Interpret and locate local documentation .....	A8-3
8.3 Use text and field books for referencing.....	A8-3
8.4 Use catalogues .....	A8-5
8.5 Reference additional information resources.....	A8-6
8.6 Interpret symbols and abbreviations to determine the scope of work .....	A8-8
8.7 Interpret project specifications.....	A8-11
8.8 Read plans .....	A8-16
8.9 Interpret landscape drawings and design intent.....	A8-22
8.10 Reference documentation pertaining to estimating.....	A8-24
8.11 Reference documentation pertaining to worker safety.....	A8-24
8.12 Identify current government legislation and company policies.....	A8-26

## Book A: Performs Common Occupational Skills

### Chapter 9 Maintains Records (RSOS A-3.03)

9.1 Describe the types of tool and equipment records.....	A9-1
9.2 Describe the purpose of completing safety records .....	A9-2
9.3 Describe types of work records.....	A9-6
9.4 Describe examples of additional records .....	A9-11
9.5 Describe types of shipping and receiving information .....	A9-13
9.6 Describe the purpose of comparing packing slips with original orders .....	A9-17

### Chapter 10 Participates in Job Planning Activities (RSOS A-3.04)

10.1 Identify and prioritize tasks.....	A10-2
10.2 Identify labour expertise and allocate production hours.....	A10-5
10.3 Organize labour, materials, tools, and equipment.....	A10-6
10.4 Identify and schedule sub-contractors.....	A10-10
10.5 Historical information & previous records .....	A10-11
10.6 Review safety requirements.....	A10-12
10.7 Locate public and private utilities .....	A10-13
10.8 Verify scope of project and determine sequence of job .....	A10-13
10.9 Verify materials and practices .....	A10-14
10.10 Plan site-specific staging .....	A10-15
10.11 Identify and schedule cleanup .....	A10-16

### Chapter 11 Orders Materials (RSOS A-3.05)

11.1 Identify required materials.....	A11-1
11.2 Describe the considerations when ordering materials .....	A11-2
11.3 Describe the process for keeping records.....	A11-3
11.4 Identify required documents to prevent delays.....	A11-3

### Chapter 12 Organizes Materials and Equipment (RSOS A-3.06)

12.1 Describe the purpose of inspection and verification of plants and materials .....	A12-1
12.2 Describe storage area specifications for equipment and hazardous materials .....	A12-2
12.3 Receive plants and materials.....	A12-5
12.4 Handle substandard plants and materials.....	A12-6

### Chapter 13 Transports Materials (RSOS A-3.07)

13.1 Describe the protection of plant materials .....	A13-2
13.2 Describe the procedure to secure materials.....	A13-5
13.3 Describe the procedure to load/unload materials.....	A13-7
13.4 Describe the procedure to cover materials.....	A13-10
13.5 Describe the transportation of materials.....	A13-11
13.6 Describe the procedure to perform circle checks .....	A13-14

### Chapter 14 Transports Equipment (RSOS A-3.08)

14.1 Describe the transportation of equipment and attachments.....	A14-2
14.2 Describe the selection of vehicle/trailer type .....	A14-3
14.3 Identify jurisdictional regulations used for transporting equipment .....	A14-4
14.4 Describe considerations in determining route.....	A14-6
14.5 Describe the procedure to secure loads .....	A14-7
14.6 Describe the procedure to perform circle checks .....	A14-9
14.7 Describe the procedure to load equipment .....	A14-9
14.8 Describe the procedure to unload equipment.....	A14-12

## Book A: Performs Common Occupational Skills

### PARTICIPATES IN MARKETING AND SALES

#### **Chapter 15 Controls Inventory (RSOS A-4.01)**

15.1 Describe the process for identifying and counting inventory .....	A15-1
15.2 Describe the process for sorting and managing inventory.....	A15-3
15.3 Describe the considerations for restocking orders .....	A15-3

#### **Chapter 16 Sells Products and Services (RSOS A-4.02)**

16.1 Describe considerations for client education and advising.....	A16-1
16.2 Describe merchandising and marketing of products and services.....	A16-4
16.3 Describe considerations for handling payments for products and services.....	A16-8

#### **Chapter 17 Maintains Customer Relations (RSOS A-4.03)**

17.1 Describe methods of maintaining customer relations .....	A17-1
17.2 Describe methods of maintaining customer records .....	A17-5
17.3 Identify stakeholders for future inquiries .....	A17-8

#### **Chapter 18 Prepares Estimates (RSOS A-4.04)**

18.1 Interpret site information and documentation.....	A18-2
18.2 Identify sources of information pertaining to estimating .....	A18-16
18.3 Estimate material costs .....	A18-16
18.4 Estimate labour costs .....	A18-22
18.5 Estimate equipment costs.....	A18-23
18.6 Estimate additional costs .....	A18-24
18.7 Coordinate project logistics.....	A18-26
18.8 Risk management strategies used in landscape industry estimation .....	A18-27
18.9 Provide estimates.....	A18-32

### USES COMMUNICATION AND MENTORING TECHNIQUES

#### **Chapter 19 Uses Communication Techniques (RSOS A-5.01)**

19.1 Describe characteristics of an effective team .....	A19-1
19.2 Participate in safety and information meetings .....	A19-6
19.3 Describe conflict management.....	A19-7
19.4 Use effective verbal and written communication techniques .....	A19-14
19.5 Describe effective feedback .....	A19-21
19.6 Describe the use of communication equipment .....	A19-23
19.7 Use universal hand signals .....	A19-23

#### **Chapter 20 Uses Mentoring Techniques (RSOS A-5.02)**

20.1 Describe leadership in the organization.....	A20-1
20.2 Define the roles and responsibilities of the mentor.....	A20-8
20.3 Describe training skills.....	A20-11
20.4 Describe learning styles and needs .....	A20-13
20.5 Describe the value of essential skills in the workplace .....	A20-15
20.6 Manage time .....	A20-17
20.7 Examine the concept of power in an organization.....	A20-21
20.8 Recognize ethical and social responsibility issues in the workplace .....	A20-23
20.9 Interpret employment standards.....	A20-33
