

# Practical Landscape Horticulture

## Book D: Performs Landscape Maintenance

### TABLE OF CONTENTS

#### MAINTAINS HARDSCAPE

##### **Chapter 1 Maintains Drainage Systems (RSOS D-12.01)**

1.1 Hazards and safe work practices .....	D1-1
1.2 Describe maintenance requirements of drainage systems .....	D1-2
1.3 Describe indicators of failure .....	D1-7
1.4 Describe drainage components.....	D1-11
1.5 Describe optimal flow .....	D1-16
1.6 Describe securing of drain covers .....	D1-18
1.7 Describe the winterizing of drainage systems.....	D1-18

##### **Chapter 2 Maintains Landscape Structures (RSOS D-12.02)**

2.1 Inspect structures for defects and hazards .....	D2-1
2.2 Describe maintenance procedures for landscape structures.....	D2-3

##### **Chapter 3 Maintains Surface Materials (RSOS D-12.03)**

3.1 Describe surface defects and hazards .....	D3-1
3.2 Describe maintenance procedures for surfaces.....	D3-3

##### **Chapter 4 Maintains Steps and Retaining Walls (RSOS D-12.04)**

4.1 Describe defects and hazards for steps and retaining walls .....	D4-1
4.2 Describe maintenance procedures for steps and retaining walls .....	D4-6

##### **Chapter 5 Maintains Irrigation Systems (D-12.05)**

5.1 Identify hazards and perform safe work practices.....	D5-2
5.2 Identify irrigation systems.....	D5-2
5.3 Describe maintenance requirements .....	D5-3
5.4 Describe the determination of system functionality.....	D5-5
5.5 Describe problems .....	D5-6
5.6 Describe solutions .....	D5-6
5.7 Describe the considerations and procedures for determining water quality and availability .....	D5-7
5.8 Identify factors that determine irrigation rates and methods .....	D5-8
5.9 Describe water stewardship practices .....	D5-10

##### **Chapter 6 Maintains Water Features (RSOS D-12.06)**

6.1 Identify hazards and perform safe work practices.....	D6-2
6.2 Interpret codes, regulations, and documentation .....	D6-2
6.3 Describe types of water features .....	D6-2
6.4 Describe the procedures and products used to maintain water features .....	D6-3
6.5 Describe inspection of water features for defects .....	D6-4
6.6 Describe the process for charging systems and replacing pumps.....	D6-4
6.7 Describe the process for setting and resetting timers .....	D6-5
6.8 Describe the process to remove & protect plants and fish for cleaning & winterization of water features ....	D6-6
6.9 Describe the process for draining and refilling features .....	D6-8
6.10 Describe the process for running systems to ensure functioning.....	D6-8
6.11 Describe the process for inspecting and testing water conditions .....	D6-8

# Practical Landscape Horticulture

## Book D: Performs Landscape Maintenance

6.12 Describe the process for testing ground fault circuit interrupter (GFCI).....	D6-9
6.13 Describe the process for cleaning of components .....	D6-10
6.14 Describe cleaning of water features .....	D6-10
6.15 Describe amending water.....	D6-10
6.16 Describe the process for winterizing water features.....	D6-10

### Chapter 7 Maintains Landscape Lighting (RSOS D-12.07)

7.1 Landscape lighting maintenance programs .....	D7-1
7.2 Maintain landscape lighting preparation.....	D7-2
7.3 Low voltage landscape lighting maintenance procedures.....	D7-3
7.4 Describe visual inspection of lighting components .....	D7-4
7.5 Describe adjustment of lighting components.....	D7-5
7.6 Describe cleaning and clearing of lighting components .....	D7-6

### Chapter 8 Practices Snow and Ice Control (RSOS D-12.08)

Practices Snow and Ice Control: Red Seal Occupational Standard and Red Seal Interprovincial Exam	
Study Highlights .....	D8-2

### Chapter 9 Repairs Hardscape (RSOS D-12.09)

9.1 Recognize damage to hardscapes.....	D9-1
9.2 Describe minor repairs .....	D9-5

## MAINTAINS SOFTSCAPE

### Chapter 10 Maintains Exterior Softscape (RSOS D-13.01)

10.1 Select and use tools and equipment .....	D10-2
10.2 Hazards and safe work practices .....	D10-2
10.3 Describe the purpose of softscape maintenance .....	D10-3
10.4 Perform visual inspection .....	D10-4
10.5 Irrigate plants.....	D10-5
10.6 Fertilize plants.....	D10-6
10.7 Cultivate growing media .....	D10-8
10.8 Perform seasonal planting and removal of plants.....	D10-8
10.9 Perform deadheading .....	D10-12
10.10 Apply or install seasonal protection .....	D10-12
10.11 Describe hardening off practices .....	D10-15
10.12 Remove weeds and debris.....	D10-16
10.13 Describe mulching of beds and containers.....	D10-18
10.14 Describe inspection & maintenance of natural & manufactured edges .....	D10-20
10.15 Describe removing staking and guying materials .....	D10-21
10.16 Perform site cleanup.....	D10-21

### Chapter 11 Maintains Interior Softscape (RSOS D-13.02)

11.1 Select and use tools and equipment .....	D11-2
11.2 Identify hazards and describe safe work practices .....	D11-2
11.3 Identify interior plants and their needs.....	D11-5
11.4 Identify pests and diseases .....	D11-8
11.5 Perform visual inspection .....	D11-10
11.6 Discuss irrigation and fertilization of plants .....	D11-11
11.7 Discuss cultivation and amendment of growing media.....	D11-12

**Canadian Nursery Landscape Association**  
*Association Canadienne des Pépiniéristes et des Paysagistes*

**CAHRC**

 Human Resource Council

**CCRHA**  
 Conseil canadien pour  
 les ressources humaines  
 en agriculture

**HortEducation.ca**  
*Growing Careers in Horticulture*

# Practical Landscape Horticulture

## Book D: Performs Landscape Maintenance

11.8 Discuss cleaning of foliage and containers.....	D11-14
11.9 Discuss seasonal plant replacement .....	D11-14
11.10 Discuss protection of interior furnishings and surfaces .....	D11-15
11.11 Discuss pruning of interior plants.....	D11-16
11.12 Discuss managing growth for site conditions.....	D11-16
11.13 Discuss movement and rotation of plants .....	D11-18
11.14 Appendix: Plant Lighting Fundamentals.....	D11-19

### Chapter 12 Maintains Turfgrass (RSOS D-13.03)

12.1 Select and use tools and equipment .....	D12-1
12.2 Describe turfgrass maintenance .....	D12-2
12.3 Describe turfgrass cultivation.....	D12-2
12.4 Describe maintenance scheduling.....	D12-8
12.5 Describe monitoring of turfgrass .....	D12-12
12.6 Describe turfgrass irrigation.....	D12-15
12.7 Perform mowing and trimming of turfgrass .....	D12-16
12.8 Describe pest and disease management of turfgrass .....	D12-16
12.9 Describe turfgrass repair.....	D12-21

### Chapter 13 Propagates Plant Material RSOS (D-13.04)

13.1 Select and use hand tools and materials.....	D13-1
13.2 Hazards and safe work practices .....	D13-2
13.3 Plant propagation.....	D13-2
13.4 Identify considerations used when selecting stock/parent plants.....	D13-3
13.5 Describe the harvesting and dividing of storage organs .....	D13-4
13.6 Describe propagation methods.....	D13-6

### Chapter 14 Repairs Softscape (RSOS D-13.05)

14.1 Select and use tools and equipment .....	D14-2
14.2 Hazards and safe work practices .....	D14-2
14.3 Describe management of damaged plant material.....	D14-3
14.4 Describe reasons for replacing interior and exterior plants.....	D14-10
14.5 Describe repair of natural and manufactured edges .....	D14-13
14.6 Describe repair and adjustment of staking and guying materials.....	D14-14
14.7 Describe repair of grading and drainage .....	D14-15
14.8 Describe reasons for replacing growing media .....	D14-16
14.9 Describe repair of inorganic mulch .....	D14-18

## **MAINTAINS GREEN INFRASTRUCTURE**

### Chapter 15 Maintains Green Roofs and Walls (RSOS D-14.01)

15.1 Select and use hand tools, power tools, and equipment.....	D15-1
15.2 Identify hazards and describe safe work practices .....	D15-2
15.3 Describe types and functions of green roof systems and green walls .....	D15-2
15.4 Describe processes and procedures for maintaining green roofs and walls.....	D15-3
15.5 Identify non-horticultural elements requiring inspection and maintenance.....	D15-8

### Chapter 16 Maintains Rainwater and Stormwater Management Systems (RSOS D-14.02)

# Practical Landscape Horticulture

## Book D: Performs Landscape Maintenance

16.1 Describe processes and procedures for maintaining the function of rainwater and stormwater management systems ..... D16-1

16.2 Identify non-horticultural elements requiring inspection and maintenance ..... D16-7

### Chapter 17 Maintains Erosion Control (RSOS D-14.03)

17.1 Describe the procedures to inspect erosion control materials ..... D17-1

17.2 Describe the procedures to repair erosion control materials ..... D17-4

### Chapter 18 Maintains Biodiverse Plantings and Natural Areas (RSOS D-14.04)

18.1 Biodiverse plantings and natural areas..... D18-1

18.2 Identify criteria for monitoring site ..... D18-2

18.3 Describe maintenance procedures ..... D18-4
